Spirit of America Fleet Services are perfect for work trucks, taxis, limos, driving schools, delivery vehicles, or commercial fleets.

Spirit of America Fleet Service offers:

Control – You can set limits on what services Drivers can purchase and how much they may spend per visit. With our billing payment option there is no need for Driver's to bring cash. You can even assign Driver I.D. numbers to eliminate abuse.

Variety – Our Fleet Services customers may take advantage of any of the services we offer here from a simple carwash and interior cleaning to oil changes and preventive maintenance services such as transmission and coolant flushes.

Convenience – Managing your fleet of vehicles couldn't be made easier. The car care and preventive maintenance services you need to keep your vehicles looking good and driving

efficiently are provided under one roof with no appointment necessary. We offer different payment options to suit your needs including billing, point-of-service, and pre-paid cards. Additionally, we can generate a report for you on request that will detail vehicle service dates and services performed, making it easier for you to keep track of which services have been performed and which remain to be done.

Savings – Up to 20% off depending on the size of your fleet.

Reputation – Clean/attractive vehicles reflects a professional company image

Quality – 100% Satisfaction guaranteed on all the services we offer at Spirit of America. Our technicians are trained to provide a thorough service every time.
